

INTRODUCING **FR5** CARPET SHAMPOO

C906

To coincide with the comprehensive re-branding of our Commercial Hygiene products, we are proud to be launching a range of new products that have been formulated in consultation with our dedicated client base.

Announcing the new FR5 Carpet Shampoo a premium low foaming carpet and upholstery cleaner that removes general dirt, grime and stains.

The Flooring Range of cleaning and maintenance products has been designed specifically for the high demands of modern day commercial environments. Arrow Solutions provides products that clean, de-grease and sanitise all types of commercial flooring. Arrow Solutions continue to set the standard in cleaning and maintenance.

To learn more about FR5, give us a call or visit our website.
