HANDY FOAM
Foaming hard surface cleaner

ARROW
SOLUTIONS

HANDY FOAM Aerosol is a convenient foaming cleaner designed to rapidly remove residues of dirt grease and grime from a variety of hard surfaces. Handy foam contains a blend of emulsifiers, solvents and detergents to remove even the most tenacious of deposits quickly and efficiently.

ADVANTAGES

Produces a rich foam to ensure even application and enhanced cling to vertical surfaces.

Deep cleaning action rapidly removes residues of dirt, grease, grime, waxes and some inks.

Convenient ready to use aerosol application.

Anti-static formula

Pleasantly fragranced

TYPICAL APPLICATIONS

➤ Handy Foam Aerosol will clean most hard surfaces including metals, plastics, rubber, glass, and painted surfaces.

➤ Ideal for routine daily cleaning in commercial, leisure and institutional establishments.

➤ Highly effective cleaner and degreaser for use prior to maintenance or inspection of machinery and equipment.

APPLICATION INSTRUCTIONS

1. Shake can well.
2. Spray onto surface.
3. Allow foam action to penetrate grime.
4. Wipe away dirt and residues with a soft damp cloth.
5. Buff dry where required.

Setting the Standard in Cleaning & Maintenance

HANDY FOAM
Foaming hard surface cleaner

TECHNICAL DATA

APPEARANCE	Aerosol
ODOUR	Pine
