

ECOWASH AUTOSHINE

Frequent use train exterior wash

ECOWASH AUTOSHINE is a specially formulated blend of detergents, emulsifiers, water softeners and shine additives for streak-less cleaning, degreasing and enhancing of new and worn rolling stock.

ADVANTAGES

Ecowash Autoshine is formulated with a pH between 8.0 and 10.0 to ensure livery and rolling stock remain in pristine condition.

Ecowash Autoshine helps build a water and soil resistant finish.

Ecowash Autoshine is not aggressive to sensitive galvanized or aluminium surfaces.

Ecowash Autoshine removes oil, greases, dirt and grime from rolling stock exteriors.

Enhances shine on dulling and new paint and vinyl coatings.

Highly concentrated and economical in use.

Also an excellent multipurpose cleaner for floors and other hard surfaces.

TYPICAL APPLICATIONS

- Suitable for cleaning locomotives, carriages, freight wagons, tankers, trams and underground trains.
- Ecowash may be used for manual cleaning or via automatic washing plants.
- Ecowash is suitable for use in reclaim wash units.
- Also suitable for cleaning train interiors, floors tables and other hard surfaces.

APPLICATION INSTRUCTIONS

For automated wash plants use in accordance with manufacturers instructions.

Dilution will vary depending upon degree of soiling typically.

Ecowash is used at a 1:40 dilution.

For light soiling Ecowash may be diluted at up to 1:100, for heavy deposits use at 1:30. Allow a short contact time, agitate and rinse with clean water.

Ecowash may also be applied via brush, swab or pressure washer.

ECOWASH AUTOSHINE

Frequent use train exterior wash

TECHNICAL DATA

APPEARANCE	Liquid
COLOUR	Pale straw
ODOUR	Mild
SOLUBILITY	Soluble in water
RELATIVE DENSITY	1.04 @ 20 °c
pH (concentrate)	8.0 - 10.0
PACK SIZES	20 litre, 210 litre, 1000 litre IBC
FLAMMABILITY	Non Flammable

PRECAUTIONS

Avoid spilling, skin and eye contact.

ACCREDITATIONS & REGISTRATIONS

Scientifics Approved

STORAGE PRECAUTIONS

Store in tightly closed original container in a dry and cool place.

HEALTH AND SAFETY

Health and Safety Data sheet available separately.
