

INTRODUCING **GLASS & MIRROR CLEANER CONCENTRATE**

C904 / C904PCKAU pack of 6

To coincide with the comprehensive re-branding of our Commercial Hygiene ranges, we are proud to be launching new products that have been designed to meet the demands of our commercial customers.

Introducing the brand new HR3 Glass & Mirror Cleaner Concentrate. HR3 Streak free window and glass cleaner, removing nicotine stains, grease, traffic film, insects, general soiling and dust, the new concentrated version makes 100 trigger bottles per litre.

The Housekeeping Range of cleaning and maintenance products have been designed to the highest standards of commercial use. Arrow Solutions provides products that clean, sanitise and freshen all aspects of commercial housekeeping and continues to set the standard in cleaning and maintenance.

To learn more about HR3, give us a call or visit our website.
