

GERMFREE 61

Hard surface cleaner and sanitiser

GERMFREE 61 is a detergent cleaner containing a biocide and is designed to clean and sanitise surfaces in food preparation and processing environments and other areas where a high standard of hygiene is required. Germfree 61 is both highly effective and versatile and may be applied to most hard surfaces. Germfree 61 is available as a concentrate or in a ready to use trigger spray.

ADVANTAGES

Germfree 61 exceeds the UK Rail Industry's DP 20 requirements for a combined light to medium duty hard surface cleaner & disinfectant.

Cleans and sanitises.

Concentrated formula offers excellent dilution rates coupled with low cost in use.

Non caustic formula, ideal for use on sensitive surfaces, soft metals and galvanised surfaces.

TYPICAL APPLICATIONS

- Germfree 61 is recommended for use in all areas where high standards of hygiene and cleanliness are required.
- Germfree 61 is ideally suited for the cleaning of food preparation surfaces in kitchens and canteens.
- Widely used for cleaning and sanitising tabletops, workstations, washrooms, toilet areas and any surfaces where a high degree of cleanliness and hygiene is required.

APPLICATION INSTRUCTIONS

Germfree 61 may be applied at dilutions between 1:20 and 1:200 depending upon the application and degree of soiling. For most applications a 1:40 dilution rate is recommended. Use Germfree 61 ready to use triggers undiluted.

Spray Germfree 61 onto the surface, allow a short contact time, agitate stubborn residues where required and then wipe away residues or rinse with clean water.

Germfree 61 may also be used with a mop for cleaning floors.

GERMFREE 61

Hard surface cleaner and sanitiser

TECHNICAL DATA (CONCENTRATE)

APPEARANCE	Liquid
COLOUR	Pale straw
ODOUR	Fragranced
SOLUBILITY	Completely soluble in water
RELATIVE DENSITY	1.07
pH (concentrate)	8.7

TECHNICAL DATA (READY TO USE TRIGGER)

APPEARANCE	Liquid
COLOUR	Colourless
SOLUBILITY	Completely soluble in water
RELATIVE DENSITY	1.0
pH (concentrate)	8.7

These are typical values and should not be taken as a specification.

PRECAUTIONS

Avoid spilling, skin and eye contact.

ACCREDITATIONS & REGISTRATIONS

UK Rail Cat No: 007/025044 - 5 Litres

UK Rail Cat No: 007/056288 - Trigger Sprays

Scientifics Approved

STORAGE PRECAUTIONS

Store at moderate temperatures in a sealed container.
