

# ODOURSAFE

Concentrated reodourant with a fruity fragrance

**ODOURSAFE is a cleaner and deodorant that eliminates unpleasant odours leaving areas smelling clean and fresh.**

## ADVANTAGES

Odoursafe is a safe aerial reodourant formulated for use in any area or process affected by unpleasant odours

A powerful fruity fragrance designed to combat odours emanating from various wastes in industrial and domestic environments

Ideal for freshening offices, conference rooms and hotel rooms

Can be added to waste tanks or carpet extraction machines and scrubber dryers to keep them smelling fresh

Highly effective over wide areas at low concentrations

Highly concentrated

Powerful fruity fragrance

## TYPICAL APPLICATIONS

- Odoursafe may be used to combat odours emanating from various industrial processes such as sewage works, tanneries, manufacturers of animal by-products, waste tips and chemical factories
- Effectively combats stale odours in showers and washrooms of leisure and sports centres
- Can be used to deodorise waste bins, skips and drains

## APPLICATION INSTRUCTIONS

Dilute at up to 1:50 and spray onto the source of odour.

For light duty cleaning, dilute at 1:50 spray onto the surface and wipe clean.

# ODOURSAFE
