

GLITZ

Rich creamy anti static polish

GLITZ is a rich, creamy anti-static cleaner & polish in ready to use trigger spray. Glitz removes dust and dirt and buffs to a high shine.

ADVANTAGES

Enhances the appearance and finish of wood, plastic, vinyl, leather and other surfaces

Ideal where a non flammable product is required

Fine mist provides excellent coverage

Prevents static build up and attraction of dust

Lavender fragrance

TYPICAL APPLICATIONS

- Glitz enhances the appearance and finish of wood, plastic, vinyl, leather and other surfaces
- To clean, polish and enhance the finish of all decorative surfaces in living areas, offices, vehicles etc. within commercial establishments, hospitals, industry, leisure and recreation centres, nursing homes, public authorities etc

APPLICATION INSTRUCTIONS

1. Shake well.
2. Adjust trigger to fine mist.
3. Spray lightly onto the surface.
4. Buff off with a soft lint free cloth.
