SAFETY FLOOR CLEANER Specialist cleaner for anti-slip floors, removing scuffs, grease, grime and fatty deposits

KR3 SAFETY FLOOR CLEANER has been formulated specifically for the machine cleaning and maintenance of specialist anti slip floors.

ADVANTAGES

Removes scuffs, grease, grime and fatty deposits from anti-slip floors.

CHSA award winning product.

Highly concentrated.

Non caustic formula, ideal for use around soft metals and galvanised surfaces.

Suitable for use on safety and anti-slip floors within schools, hospitals, nursing homes, leisure complexes, warehouses and other industrial environments.

Highly economical in use.

Medium to heavy duty cleaner.

Non perfumed.

TYPICAL APPLICATIONS

- ✓ Formulated for the cleaning and maintenance of specialist anti slip floor surfaces, finishes and coverings often found in kitchens, food factories, schools, hospitals, institutions, shower rooms, bath areas etc.
- ✓ Highly effective on: grease and oils, food fats, soap films and rubber marks.
- Suitable for machine application, the product may also be used for general cleaning by spraying, wiping or with mop and bucket.

APPLICATION INSTRUCTIONS

- For light duty cleaning dilute with up to 80 parts water. 1.
- 2. For general cleaning dilute with 30 parts water.
- For heavy cleaning dilute with 10 parts water. 3.
- 4. Apply with mop and bucket or via scrubbing machine for one pass cleaning.
- 5. Wipe, mop or rinse using clean water.
